Fall Park Pointers

Kingsport Parks & Recreation manages more than two dozen parks and playgrounds throughout the city, offering a wide range of athletic programs and recreational activities to improve the health and well-being for residents and visitors.

Kingsport's facilities vary from small neighborhood parks to larger greenspaces and iconic destinations such as the Greenbelt, Bays Mountain Park and Allandale Mansion.

Here are some key pointers as you enjoy all Kingsport has to offer:

- **Help keep the parks clean.** If you see litter, garbage or vandalism, report it through the ConnectKingsport app.
- **Be mindful of wet leaves** on the walking paths.
- **When it gets dark, don't be in the park.** Most city parks close at dusk.
- **Stay hydrated on hot days** and if you detect an approaching storm, please exit the park.
- **Warn others when passing someone on the Greenbelt.**
- **Vehicles should not be driven into any park** or parked next to shelters, buildings or rental spaces.
- **Keep pets on a short leash** and please pick up their waste.
- **Fallen trees and broken equipment can be reported** using the ConnectKingsport app.
